FIELD TRIP POLICY

On-Campus

Extreme Sports Summer Camp reserves the right to withhold any child from attending a field trip upon inappropriate behavior before leaving the premises. The Camp Director will make the decision based upon the Counselors request and the behavior observation. Parents will be called immediately to pick-up their child and a letter will be given to them regarding the student's dismissal from the field trip.

We ask the parent to assist in helping us make each field trip safe and productive by talking to their child/children about how important it is to behave on and off campus.

Off-Campus

Extreme Sports Summer Camp reserves the right to determine if the student will attend the next field trip if they exhibit inappropriate behavior while off campus. In the event the child displays such behavior while off campus, a letter will be submitted to his or her parents advising them of the child's behavior and our decision regarding attendance to or dismissal from the next field trip.
